

# CLARK YMCA SOCCER

## FALL SCHEDULE

\*\*\*\*\* The Clark YMCA Soccer program will make every attempt to not cancel games. Games may be played in the rain as long as fields are in playable condition. The Clark YMCA reserves the right to determine a playable field. Lightning & thunder at any point during a game will result in the game ending immediately. The Clark YMCA will make every attempt to move indoors and continue game play. If there is a snowstorm the night before or the day of game, please call the YMCA prior to the start of your game to find out if there is a cancellation or check the website at [www.clarkymca.org](http://www.clarkymca.org).
