# CLARK MEMORIAL YMCA VIRTUAL 5K

JUNE 1 – JUNE 30

Join us in virtual 5K fun from home! This race can be completed anytime between June 1, 2020 and June 30, 2020. Although COVID-19 has made it impossible for us to gather together in the way that we had originally planned, we will not give up! We still hope to reschedule the Morin 5K Road Race to the fall. Our 5K races help contribute to the Clark Memorial YMCA Annual Support Campaign. The Annual Support Campaign helps provide funding for families and community members to benefit from Clark programming. The 3.1 miles can be run anywhere! After completing your race, upload your time to our leader board to see how you rank.
